

GBTEC strengthens its presence in Saudi Arabia with new strategic partnership with 4DATA

The recently formed partnership between IT Solutions service provider 4DATA and GBTEC Software AG combines the expertise of both companies. As a result, customers will receive the best possible support in planning, implementing and managing their IT resources and digital transformation initiatives.

We are proud to announce our partnership with 4DATA Information Technologies, the specialist in all types of IT Solutions services!

As a leading expert, 4DATA dedicates its experience and technical expertise to support and guide its customers in building and/or migrating their IT resources and infrastructure.

Through the combination of 4DATA's expertise in consulting, migration, implementation and operations with our outstanding BPM solution, we can now deliver even better results to our customers in the Saudi Arabian market. Together, we will be able to offer a more comprehensive range of services and effectively support more customers.

Adel Bashawri, CEO of 4DATA explains: "We're excited to announce our new partnership with GBTEC, a leading provider of Business Process Management and GRC solutions. Through this partnership, we'll be able to offer our clients in Saudi Arabia and the region more comprehensive and innovative IT services, helping them optimize their business processes and achieve their strategic goals. By combining our local expertise and market knowledge with GBTEC's cutting-edge technologies, we're confident that we can provide exceptional value to our customers. We look forward to a successful and long-lasting partnership with GBTEC."

As a partner of GBTEC Software AG, 4DATA will be able to offer its customers access to innovative solutions and services in the areas of Business Process Management and Digital Transformation. GBTEC Software AG is a leading provider

Official Press Release

Bochum, June 2, 2023

of these solutions with a proven track record of helping companies improve operations, reduce costs and increase efficiency.

We look forward to providing our customers with innovative solutions and services that meet their unique needs.

About 4DATA

4DATA Information Technologies is an IT services and consulting company focused on providing comprehensive solutions by combining cloud migration services with existing infrastructure services.

Based in Riyadh, Saudi Arabia, the company offers specialized services in the areas of Consultancy, Migration & Implementation, and Operations & Management.

About GBTEC Group

At GBTEC, we firmly believe that the alignment of operational management with risk-conscious actions builds the foundation for successful business management. That is why we are committed to turn the relevant processes into real value drivers for our customers. We achieve this with our state-of-the-art BPM and GRC Suite BIC Platform, qualified consulting and an extensive range of training courses. Companies across all industries master their digital transformation, business process management initiatives and GRC management with our products and services. Our teams at six locations in Europe and Australia work every day to ensure that global Fortune 500 corporations, medium-sized companies, and public administration benefit from optimal processes and innovative GRC management.
